BEYOND MEAT®

BEYOND STEAK™

As the brand to popularize plant-based meat through a portfolio of industry-leading products, Beyond Meat continues to level up innovation excellence by bringing the world the next frontier in plant-based protein to enable consumers to continue eating the foods they love without having to compromise on taste, nutrition or sustainability.

Chopped into bite-sized pieces, Beyond Steak is designed to deliver the juicy, tender and delicious bite of seared steak tips for a flavorful and savory eating experience that will satisfy meat lovers and flexitarians alike. Made from simple, non-GMO plant-based ingredients, like faba bean protein, Beyond Steak not only tastes delicious but is better for you and the planet.

Beyond Steak offers:

- ✔ A good source of protein with 21 grams of plant-based protein per serving
- ✔ Low in saturated fat*
- ✔ 0mg of cholesterol with no added antibiotics or hormones
- ✔ Certified Kosher and Halal

Versatile, convenient and easy to use, Beyond Steak cooks from frozen in 5 minutes via skillet or air fryer and adds delicious flavor to your favorite dishes, from fajitas and quesadillas to stir fries, sandwiches and salads.
