

# BEYOND CHICKEN TENDERS

The fan-favorite chicken tender just got a major upgrade: Beyond Chicken Tenders are breaded to crispy, crunchy perfection with a juicy, savory bite—all while being free of GMOs, antibiotics, hormones or cholesterol.

Made from simple, plant-based ingredients, Beyond Chicken Tenders are an excellent source of protein, derived from the nutrient-packed faba bean. Plus, Beyond Chicken Tenders contain 50% less saturated fat than the leading traditional breaded nugget.

Beyond Chicken Tenders are a versatile, everyday favorite, beloved by adults and children alike. Pair them with your favorite sauce or add them to salads, sandwiches and more, all in the comfort of your own home and within minutes. Like all Beyond Meat products, these delicious plant-based chicken tenders are crafted to deliver the same irresistible taste and texture as their animal equivalent, while being better for people and the planet.

For added convenience, Beyond Chicken Tenders come pre-cooked, ready-to-heat in the air fryer, oven or microwave for a crowd-pleasing meal that's ready in under 10 minutes.

Ready to get cooking? Beyond Chicken Tenders are debuting in major retailers across the country, with additional availability to come. Find the delicious plant-based chicken tenders in the freezer aisle (MSRP: \$4.99).
